Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The limitations of claim 1 vs Sarbadhikari were discussed. The limitation "print utilization file identifying at least two digital image files stored on the removable memory card to be printed, the at least two digital files corresponding to selected ones of a plurality of digital images captured by a digital camera adapted to receive the removable memory card" was discussed in detail. It appears that the amended claim may overcome the rejection. The attorney will submit a formal response detailing the features pointed out in the telephone interview and once the response is received a more detailed search will be performed.
